WHY THIS ONE

This 2003 BMW 530i is the final-year E39, the generation many drivers still rate as the high point of the 5 Series. Its 3.0-litre M54 inline-six, six-speed manual, and rear-wheel drive make it a genuine driver's saloon rather than an appliance. European-spec throughout, and sold the way every car on our lot is: fresh German TÜV, our 12-month Mobile Garantie, and full history on request.
